### THE BAR COUNCIL OF INDIA

The following rules were framed and approved by the Bar Council of India at its meeting dated 6th June 1964, held at Bangalore.

#### THE BAR COUNCIL OF INDIA

##### PART IV

Rules framed by the Bar Council of India under Sec. 49(ac) read with Sec. 3(2) and (5) and Sec. 8 of the Advocates Act, 1961.

1.(a) These rules shall apply to the election of members of all the State Bar Councils in India.

(b) In the case of any repugnancy between these rules and any rule or rules of any of the State Bar Councils, these rules shall prevail and the rules framed by the State Bar Councils shall be void to the extent of such repugnancy.

2. The elections of members of the State Bar Councils shall be in conformity with the proviso to Section 3(2) of the Act and these rules.

2. (a) There shall be no limit to the number of candidates on the State rolls for at least 10 years that could be declared elected under these rules.

3. In the case of an election by a State Bar Council for electing all the members specified in Section 3(2)(b), the following procedure shall be adopted in the counting of votes :

(a) *Election of candidates with quota.*—If, at the end of any count, or at the end of the transfer of any parcel or sub-parcel of an excluded candidate the value of the voting papers credited to a candidate is equal to or greater than the quota, then he shall be declared elected:

Provided that—

(i) No candidate who has not been an advocate on the State rolls for at least 10 years shall be elected if 7 candidates of such standing in the case of the Bar Councils of Assam, Orissa and Delhi, or 10 candidates of such standing, in the case of the other State Bar Councils had already been declared elected.

*Illustration.*—At an election in the Bar Council of Uttar Pradesh where there are to be 20 elected members, 300 is arrived at as the value of the quota. At the end of one of the counts, there are 4 candidates who have been advocates for less than 10 years on the State roll, getting more than the quota, *viz.*, 500, 400, 350 and 325. But 9 candidates of such standing had already been declared elected in the previous counts. Hence, only the candidate getting 500 can now be declared elected and the other 3 candidates excluded as provided for in rule 3(b) of these rules.

(ii) If at the end of any count, there are two or more candidates, who have not been on the State rolls for at least 10 years, getting more than the quota as aforesaid, but the number of candidates that can yet be elected from such category under the proviso to Section 3(2) is less than that number, the candidate who has obtained the greater value of votes shall be declared elected in preference to the candidate whose value of votes is less.

*Illustration.*—At an election to the Bar Council of Delhi, where there are to be 15 elected members, 300 is the value arrived at for the quota. 4 candidates who have been advocates on the State rolls for less than 10 years had been declared elected in the prior counts. Only 3 more such candidates can, therefore be elected. But there are 5 such candidates getting more than the quota, viz., 400, 380, 370, 350 and 320. Under this proviso, those the value of whose votes are 400, 380 and 370 shall be declared elected, and the other two excluded as provided for in rule 3(b) of these rules.

(iii) In the case of two or more persons of the category referred to in proviso (ii) above, getting the same value of votes at the end of any count, the Secretary or other Returning Officer conducting the election shall decide by lot which of such persons shall be declared elected.

*Illustration.*—The value of the quota arrived at is 300. Two candidates get 400 each. Under the Act and these rules only one of these can be elected. Hence a lot is to be drawn and only one of these declared elected and the other candidate has to be excluded.

(iv) The other candidate or candidates not declared elected as aforesaid by reason of the proviso to Sec. 3(2) of the Act and these rules shall be excluded from the poll as provided in Rule 3(b) of these rules.

*Illustration.*—A, B, C and D, candidates who have been on the State Roll for less than 10 years get more than the quota. But by reason of Sec. 3(2)(n) of the Act and these rules, A and B alone are declared elected. C and D are to be excluded.

(b) (1) *Exclusion of candidates lowest on poll or who have been on rolls for less than 10 years.*—The Secretary or Returning Officer conducting the election shall exclude from the poll—

(i) when there are two or more candidates who have obtained more than the quota—the candidate who cannot be declared elected under proviso (i) to rule 3(a) of these rules;

(ii) the candidates lowest in the poll in the following order, after all the surpluses have been transferred as provided in the rules of the State Bar Council with regard to transfer of surplus, and the number of candidates elected is less than the required number, and after the exclusion from the poll, if any, under sub-clause (i) of this rule :

First, such candidates as are advocates on a State roll for less than 10 years if the number of candidates who have been advocates on a State roll for at least 10 years as required by the proviso to Sec. 3(2) of the Act already declared elected is less than 8 in the case of the Bar Councils of Assam, Orissa and Delhi or less than 10 in the case of the other Bar Councils;

Next the other candidates.

*Illustration.*—At an election to the Bar Council of Uttar Pradesh, 300 is arrived at as the quota. At the end of a count, when there is no further surplus to be distributed, M and N are contesting candidates.

M (who has not been on the State rolls for at least 10 years) gets 150; and

N (who has been on the State rolls for more than 10 years) gets 100.

Only 9 candidates who have been advocates on a State roll for at least 10 years have already been declared elected. Hence M has to be excluded and the voting papers of M will be thereafter transferred as provided in these rules.

If in the same case 10 candidates who have been advocates on a State roll for at least 10 years had already been declared elected, N will be excluded. The voting papers of N will be transferred as provided in these rules.

(2) (i) The Secretary or other Returning Officer shall distribute the unexhausted papers of the candidates excluded under these rules among the continuing candidates according to the next preference recorded therein and all exhausted papers shall be set apart as finally dealt with.

(ii) The papers containing original votes of an excluded candidate shall first be transferred, the transfer value of each paper being one hundred.

(iii) The papers containing transferred votes of an excluded candidate shall then be transferred in the order of the transfers in which and at the value at which he obtained them.

(iv) Each of such transfers shall be deemed to be a separate transfer, but not a separate count.

(v) If, as a result of the transfer of papers, the value of votes obtained by a candidate is equal to or greater than the quota, the counting then proceeding shall be completed, but no further papers shall be transferred to him.

(vi) The process directed by this rule shall be repeated on the successive exclusions one after another of the candidates lowest on the poll until such seat is filled either by the election of a candidate with the quota or as otherwise provided in these rules.

(vii) If at any time it becomes necessary to exclude a candidate and two or more candidates have the same value of votes and are the lowest on the poll, regard shall be had to the original votes of each candidate and the candidate for whom fewest original votes are recorded; and if the values of their original votes are equal, the candidate with the smallest value at the earliest count at which these candidates had unequal votes shall be excluded.

(viii) If two or more candidates are lowest on the poll and each has the same value of votes at all counts, the Returning Officer shall decide by lot which candidate shall be excluded.

(ix) If during a count, any candidate getting the quota or more has to be excluded by reason of rule 3(a) above, the transfer of his votes shall be deferred and made immediately after the other candidate having got the above quota in that count are declared, and their votes transferred as provided for in these Rules.

(c) (1) *Filling last vacancies.*—When at the end of any count the number of continuing candidates is reduced to the number of seats remaining unfilled, the continuing candidates shall be declared elected subject to the following :

If the total number of candidates so far declared elected from amongst advocates on the State Roll for at least 10 years at the relevant date is less than 8 in the case of the Bar Councils of Assam, Orissa and Delhi, and less than 10 in the case of the other Bar Councils, then, the requisite number of candidates of such standing shall first be declared elected and only the balance from amongst other candidates shall be declared elected.

(2) When at the end of any count only one seat remains unfilled and the value of the papers of some one candidate exceeds the total value of the papers of all the other continuing candidates together with any surplus not transferred, that candidate shall be declared elected. Such candidate shall not, however, be declared elected if he has been on the State roll for less than 10 years and if the total number of candidates so far declared elected from amongst advocates on the State roll for at least 10 years, as provided in these rules is less than 8 or 10 as aforesaid as the case may be.

(3) When at the end of any count only one seat remains unfilled and there are only 2 continuing candidates and each of them has the same value of votes and no surplus papers can be transferred, the Returning Officer shall decide by lot which of them shall be excluded, and, after excluding him in the manner aforesaid declare the other candidate to be elected.

Provided that if the total number of candidates who have been on the State roll for at least 10 years on the relevant date so far elected is less than the required number, then that candidate who will be on the State roll for at least 10 years shall be declared elected and the other candidate shall be excluded.

4. *Filling up vacancies or co-option.*—In the case of any election to fill a vacancy amongst the members of the State Bar Council, or while co-opting a member, the State Bar Council shall conform to the requirements of Sec. 3(2) of the Act, and the principles laid down in these rules.

5. *Particulars regarding seats to be filled.*—In the case of every election of members of a State Bar Council, the State Bar Council shall—

- notify the minimum number of seats that should be filled up from amongst advocates who, on the relevant date, will be advocates on a State roll for at least 10 years.
- require every candidate to specify in his nomination paper the date of his enrolment and the period for which his name had been on the roll of one or more High Courts under the Indian Bar Councils Act, 1926, and the roll or rolls of State Bar Councils under the Advocates Act, 1961, with full particulars thereof.
- indicate on the voting paper which of the candidates have been on a State roll for at least 10 years as required.

Provided that this rule shall not be applicable to any election held by any State Bar Council before the rules have come into force.

6. *Computation of period.*—For the purpose of computing the minimum period of 10 years provided for in the proviso to Section 3(2) of the Act, and these rules—

(i) the period during which an advocate may have been on the roll of any other State Bar Council or Councils or on the roll of any High Court or High Courts under the Indian Bar Councils Act, 1926, shall be taken into account, and

(ii) the period shall be computed as on the last date notified for receiving the nominations for the election.

7. *Time within which elections are to be held under these rules.*—In the case of State Bar Councils where fresh elections have not been held, effect shall be given to the proviso to sub-election 2 of Sec. 3 of the Act, within 90 days from the date on which these rules have come into force.

8. The rules in this Chapter shall come into effect forthwith.
